VIRTUAL WALK

VIRTUAL WALK | SATURDAY, MAY 22, 2021

Join 200 fellow animal advocates online this spring as we walk to raise funds for veterinary care for shelter animals.

We walk for those who have NO VOICE.

RESCUE WALK TEAMS NOW FORMING!

Workplaces | Families | Social Clubs | Friends | School Groups | Adopters | Volunteers
....and more!

Rescue Walk Fundraising is more fun together! This is an exciting way to build camaraderie and work together for a cause that is dear to so many. The members of your team earn Individual Rewards and together achieve goals to earn social media recognition, a visit from adoptable animals and, if you are one of our top teams, the coveted Top Dog trophy!

GET STARTED TODAY!

- Identify a Team Captain and register at www.summithumane.org/virtualwalk
- Invite others to join the team, create their individual pages, & tell their story.
- Team members raise funds by sharing their Walk webpage with friends & family. Some employers may match funds raised!
- *Optional:* Collect funds off-line. Turn in these donations at HSSC by May 21. Form and more information available on our website.
- Walk and join us online for a virtual celebration on Saturday, May 22!
